

E. Michael Grady, M.D.

Dr. Michael Grady specializes in hand surgery with additional training in disorders, injuries, and illnesses of the hand and wrist.

Dr. E. Michael Grady MD was born and raised in southeastern Michigan. He attended the University of Michigan, where he graduated with a Bachelor of Science Degree with Distinction in Cellular and Molecular Biology in 2012. He continued on with his medical education at Wayne State University School of Medicine, graduating in 2016. Dr. Grady completed his surgical internship and residency at Ascension St. John; after which he completed his fellowship training at the world-renowned Christine M. Kleinert Institute for Hand and Microsurgery. During his fellowship training, Dr. Grady gained experience in complex wrist and hand cases, as well as microsurgery and nerve surgery.

Dr. Grady is committed to providing high-quality compassionate care to his patients. He strives to provide a patient centered approach to hand surgery including surgical and non-surgical treatment options.
